**RECOMMENDATIONS FOR PARTICIPANTS AT EQUINE EVENTS**

City of Norco Animal Control Officials are continuously monitoring for equine disease cases. The City of Norco reminds horse owners traveling with horses to participate in an equine event, that there is always disease risk when horses of unknown health status are commingled for a show or competition. The City strongly recommends that horse owners practice proper biosecurity when attending an equine event. Compliance with basic biosecurity practices is an important factor in reducing risk of exposure to all contagious equine diseases. Follow basic biosecurity measures to decrease potential disease spread at equine events, including:

**Limit horse-to-horse contact. Limit horse-to-human-to-horse contact. Avoid use of communal water sources. Avoid sharing of equipment unless thoroughly cleaned and disinfected between uses. Monitor your horse for clinical signs of disease and report any temperature over 102°F to a veterinarian.**

I have read the above information and recommendations. (Initial) \_\_\_\_\_

**AGREEMENT**

*To the best of my knowledge, the animal listed above is healthy and able to participate in City of Norco-sponsored equine events. I understand there is always a disease risk when horses of unknown health status are commingled for a show or competition. I hereby waive any claim for liability for any equine disease contracted by the above animal and agree to defend and hold harmless the City of Norco, its officers, employees, agents and volunteers, and all other participants in this equine event from claims or liability of any kind arising out of any equine disease allegedly contracted or arising from participation in this equine event.*
